I love the daily updates to keep us informed of what's on tomorrow's menu. Also, the really helpful resources you had for the children during lockdown were a godsend too.

WE POST THE FOLLOWING DAY'S MENU AT 3PM ON FACEBOOK (5PM SUNDAYS)

Children from Andrews Endowed Primary School Alton

Here are some **tips** to help your child settle in to the school lunch routine.

- 1 **Look at our menu** with your child and ask them to choose their favourite meals. Be positive about school meals; children may pick up on your anxieties.
- 2 Help teach your child how to use a **knife, fork and spoon** and remember it.
- 3 Practice holding a **lunch tray or plate** so they don't drop it on their first day.
- 4 **Rehearse the school routine** and explain how at school you stay and have lunch with your friends.
- 5 Practice drinking out of a **cup or beaker** without a lid over the summer.
- 6 **Make food fun.** Try new things, especially healthy fruit and vegetables.

We use the Facebook page nearly every day to look at the photos of the choices for the following day 👍

NEED A SPECIAL DIET FOR MEDICAL REASONS?

Living with allergies comes with its own set of rules so when it comes to food, as education caterers, we want to make this as easy as possible for you as a family. Our staff are trained in food safety and regularly update their skills on allergens.

We never underestimate the dangers of food allergies and intolerances and we know what a big deal this is for you as parents. Trusting someone else to feed your child is a huge responsibility. And that's why we work hard to get it right.

During summer 2021, we are launching an exciting **new medical special diet registration process**, which will mean that you and your child's school will have access to all the details you provide about your child's medical condition so we can devise a safe school lunch menu for them. Easy to use, you will be able to create your own account, upload medical evidence, and see your child's diet in your own online space.

Access to our new registration process will be via our dedicated special diet webpage www.hants.gov.uk/hc3s/primaryschools/specialdiets

You'll find our special diet matrix online with list of ingredients for our dishes from our 'classics' menu. As we always offer at least two dishes each day for school lunch, you may find that the alternative dish works and choose not to register your child. In doing so you are taking responsibility for your child's choice. However, we do always strongly recommend full registration for any child with food allergies.

FOLLOW US ON FACEBOOK AND TWITTER FOR MORE UPDATES ON THIS EXCITING NEW PROJECT

Currently, we have **46** generic special diet menus and just over **500** individual special diet menus for children across our schools. In total, we are catering for **2,500+** children with food allergies and intolerances.

OUR GUIDE FOR FUSSY EATERS

It's not always easy to get your child to eat their greens... or mushrooms for that matter. How often do we hear, 'they're a fussy eater' so you send them to school with a packed lunch? When your child comes home with an empty lunch box, you breathe a sigh of relief. But many children give away their food, swap or dump it in our waste bins. So you don't always have the whole picture.

Here's our top 3 tips:

1 AVOID REWARDING WITH FOOD

Now we're not suggesting you bribe your child to eat their meal, but offering a great-tasting dessert if they eat their veg will not help either of you in the long run. And not pushing them to finish a whole meal can take the pressure off. Encourage eating a little more of that dish next time. Try stickers, games or earning days out. Anything that doesn't make them turn to sugary foods as a treat.

2 BE YOUR CHILD'S HERO

You can be the best role model for your child. They look up to you. So lead by example, and eat a wide variety of vegetables. Make sure vegetables are the norm for the dinner table and try sharing with positive comments.

3 KEEP TRYING

As children grow, so do their taste palettes. Don't assume they don't like a certain food because they've only tried it a couple of times. Apparently, it takes 15-20 times to really know so offer small amounts with encouragement and they may decide it's not so bad after all.

GIVE IT A TRY, IT MIGHT BE YOUR NEW FAVOURITE FOOD...

Find more top tips for fussy eaters and about how to liven up your veg on our website.

HAVE FUN WITH ZAC, OUR FINGER PUPPET

Meet Zac, our friendly school lunch mascot.

1. Cut out Zac and the plates of food along the dotted lines.
2. Bend the tabs around two of your fingers and fasten with sticky tape.
3. Wiggle your fingers - Which main meal and pudding would you choose?
