

2nd - 5th June

Calling all Schools!

Can you design the front cover of the souvenir programme for the Fleet Platinum Jubilee Celebrations?

Three winners will have their artwork featured in the souvenir programme - one from an infant, junior and secondary school.

The overall winner will work with graphic designer, Heather Bailey, to develop their design for the front cover of the programme.

Best bits from all entries may be used in the final programme. So ... get designing!
