# Our classroom cloakrooms

You will have a peg with your name and picture on so you know where to hang up your coat.

In the morning, we put our purple book bags into our colour group's box then we go into the classroom to see our friends!

Our toilets are through the cloakroom.

# These are the Year R toilets

There are 2 in each classroom.

# This is our playground

We have a pirate ship to play on and lots of space to zoom around on the bikes and scooters during our Physical sessions.

# This is our canopy

You will come into your classroom through the canopy each morning.

We spend time outside playing and learning on the canopy everyday, come rain or shine!

We eat our lunch in the hall and these are some of the ladies that help us.

After we have finished our lunch we go to play on the playground.  
Each class has a dinner lady that helps us during lunchtime and reads us a story when we come back to our classroom.

# This is our library

We love reading in our library. There are big tables and comfy cushions to share a book together.  
We can borrow books from school to read at home.

We look forward to meeting you  
when you come and visit us!
