

Geography:

Name and locate the world's seven continents and five oceans.

Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.

Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country.

Physical Education

Master base movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities .

Participate in team games, developing simple tactics for attacking and defending.

History:

Events beyond living memory that are significant nationally or globally.

The lives of significant individuals in the past who have contributed to national and international achievements. Some should be used to compare aspects of life in different periods.

Significant historical events, people and places in their own locality.

Music

Use voices expressively and creatively by singing songs.

Play tuned and untuned instruments musically.

'We are Britain' Autumn 2 2018 SKILLS

www.gov.uk/government/publications/national-curriculum-in-england-framework-for-key-stages-1-to-4

Design Technology

Generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology.

Select from and use a range of tools and equipment to perform practical tasks. [for example, cutting, shaping, joining and finishing]

Evaluate their ideas and products against design criteria.

Build structures, exploring how they can be made stronger, stiffer and more stable.

Literacy

Reading skills—

- * Sounding out and blending more complex words.
- * Chunking words.
- * Using the context of the sentence to decode new words.

* Comprehension.

Writing skills—

- * Grammar; word types and sentence types.
- * Spelling—Y2 Common Exception Words
- * Punctuation— . , ? !

Mathematics

- Calculations—addition and subtraction, multiplication (2,5 and 10 times tables), division, plus how they link together. (inverse operations)
- Rapid recall of number facts e.g: addition and subtraction within 20 and number bonds.
- Length and Time
- Problem solving

Science

Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses

Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.
