

Dear Tigers

We hope you're enjoying your time at home and having fun (as well as working of course!).

We're really pleased to see that lots of you have been going on to Education City and using the activities in your 'Homework' section. I hope you've noticed I leave little messages sometimes! I check it every day to see how you're all getting on.

Remember to check the school website too as we're putting lots of things on there, and more will come if the schools stay closed. We hope you're reading lots of books and your parents are asking you questions about them; remember you are inference detectives working things out from clues!

We talked about making your own books before school closed. I hope you've all been thinking about what you could make a book or fact sheet about. Some of you may have already started! Well done if you have!

Remember to practise your blank number lines and times tables too. There are so many things we want you to do, we know, but remember it's because we care about you and want you to have lots of choices in life!

Every morning at 9 o'clock, we've been doing the Joe Wicks workouts. We always think about you all joining in at the same time!

We are missing you, and really hope that we see you again soon. We are planning things for you all to do when we go back to school!

Have a lovely Easter and have fun with your families. Not too much chocolate remember (that's for adults!).

Stay safe Tigers (the 'you know what' class!). Lots of love,
Mrs Hogan, Mrs Stoddart, Miss Gale, Mrs Huddie & Mrs Hatcher
