

Hi Kingfishers

I'm so pleased to see so many of you accessing lots of Education City activities, remember to have a look at your Homework page too, and don't forget all the fun things you can do on Phonics Play, ICT Games or Top Marks.

I hope you've been able to get outside for a walk or play and enjoy the beautiful sunshine. Maybe you've spotted more signs of spring and new life.... Have you noticed blossom on trees, new shoots, and the pastel colours of spring flowers? As I've been out walking I've spotted lots of your brilliant rainbows in your windows - they've really made me smile! Perhaps you could create a spring picture to show all the things you've spotted, or would love to see..... (I know..... what about the Easter Bunny? Maybe you could include him too! How exciting!)

If he comes to your place, I do hope the Easter Bunny is kind to you... and, most of all I hope you're being kind and helpful at home. I miss you all, and think of you every day. Please keep up the fabulous work that you're doing at home and I'll keep putting some new games and activities in your Education City folder, but don't forget to keep being creative and active too.

Before I go, shall we have a minute for our usual Jokes & News session? .....ok, well it's a couple of jokes from me this time....

1. *Why was there so much shouting in the bakery at Easter? .....*
2. *Which bedtime stories does the Easter Bunny like most? .....*

(see below for punchlines....) hahahaha 😊

Wishing you and your lovely family a very Happy Easter!

Busy, busy Kingfishers!

Love, Miss Brown xxx

1. *Because there were a lot of hot cross buns!*
2. *Hairy tales with hoppy endings!*
