

Dear Swans

We hope you are enjoying your time at home. The weather has been amazing and the signs of spring are showing.

We are missing you all, and hope that we see you soon. We have already been planning what to do when we next see you.

It has been lovely to see so many of you using Education City and playing the games in the homework section. We will add more games as time goes on, but remember you can use some of the other websites from the webpage. You can also go on Phonics Play and play some of the games e.g. matching pairs and buried treasure! Look in particular at Phase 3, 4 & 5. You could even write the phonemes on pieces of paper and play swat the sound!! Have a go at reading some of the E books we have suggested, there are some fiction and non-fiction ones.

We hope you are trying to make sure that you are still active, lots of the teachers have been joining in with the Joe Wicks workouts - it's helping to improve our fitness too!

We can't wait to see you when you come back!!

Have a fantastic Easter, enjoy spending it with your families. Stay safe super Swans!!

Lots of love

Mrs Williams, Mrs Lindgreen and Mrs Chapman
