

Happy Easter Lovely Ladybirds!

How are you all? We are missing you all but hope that you have been out in your gardens enjoying the lovely sunshine with your family! There are lots of buds on the plants in Mrs Hitchcock-Smith's garden as well as some pretty spring flowers - have you drawn any pictures of them yet?

Did you enjoy reading all about Marjorie the cow! We really liked the part where Marjorie was pushing her egg round in a wheelbarrow! Do you think the chickens had anything to do with the egg?

Which babies on Dora's farm did you like the best? Mrs Jewitt has a new puppy called Alfie, he is very small and likes getting into all sorts of mischief at the moment!

Have you been doing some exercise with Joe Wicks each day? We have- it is hard work but good fun!!!

Don't forget to keep reading lots of books, play some games and keep counting. Can you make an Easter card for your family? We are going to make a pom-pom chick this week - I wonder if you can make one too?

Have a great Easter and hopefully the Easter Bunny will come and bring you some Easter Eggs! But don't eat them all at once!

Love from

Mrs Jewitt,

Mrs Hitchcock-Smith,

Mrs Dawson and Mrs Rattray
