

Happy Easter Caterpillars!

Mrs Bounds and I are missing all of you and we hope you are all enjoying being at home having lots of fun with your families!

Have you enjoyed reading Dora's Eggs and The Cow that laid an Egg? Which was your favourite book? I liked Daisy Dog's puppies because they reminded me of when my dog Benny was a bouncy puppy! Don't forget to read and share lots of your favourite stories with your family, they will love them!

I hope you have liked the challenges we have given you to do. I've even had a go at the Challenge Bingo and really enjoyed planning more fun activities inside my own living room den! It's been wonderful seeing some of you having a go at the Education City games and beating your scores!

Have you been getting active with Joe Wicks PE every morning? I have been and it has made all my muscles ache even more than our morning Activate! Well done for keeping healthy, strong and active!

Make sure you play lots of games, have fun, be imaginative and perhaps you could even get creative and make an Easter chick, bunny or card to give to your family.

Have a great Easter and I hope the Easter bunny visits you with some Easter eggs! But don't eat all of them at once!!

Love from
Miss Kinge &
Mrs Bounds
