

Happy Easter
to all the
Bumblebees!

I'm missing all of you and I hope you are all enjoying being at home with your families!

Have you enjoyed reading Dora's Eggs and The Cow that laid an Egg, which was your favorite book? I liked all the baby animals in Dora's Eggs!

I hope you have liked all the challenges we gave you to do and are you doing the Joe Wicks PE every day? I have been and it has made all my muscles ache ☺

Make sure you read lots of books, play games and make an Easter chick or bunny or card to give to your family.

Have a great Easter and I hope the Easter bunny visits you with some Easter eggs!

But don't eat all of them at once!!
