

Hello Year One

6th July 2020

We've been amazed at the work you sent through again last week. Well done to every one of you, you're all working so hard!

This week you have the chance to showcase your Wild and Wonderful learning through designing and creating your own board game! We know you'll have lots of fun doing this and then sharing it with your family at home together. You can also be punctuation detectives and use all that you know to complete your own booklet explaining how to use punctuation correctly in your writing. How exciting!

We all love board games too - here's what some of your teachers have said is their favourite game and why. What's yours?

Have a lovely week everybody, we can't wait to hear from you all again soon! xxx
