

Ongoing across the week - Mental Maths

Count together in 2s, 5s and 10's forwards and back.

Now see if you can count in 2's from an odd number i.e 1,3,5,7,9

Practise number bonds for 20 and related subtraction facts e.g. $17 + 3 = 20$,
 $20 - 3 = 17$

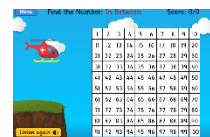

Practise addition by playing the addition matching game robot-addition

<https://www.topmarks.co.uk/addition/robot-addition>

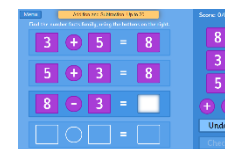

Try playing the place value game helicopter rescue - Find the number between

<https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

Practice family of four (Number fact families) <https://www.topmarks.co.uk/number-facts/number-fact-families>

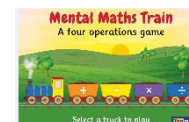

You will need to work out the addition and subtraction facts

Quick recall of addition facts games Funky Mummy - <http://www.ictgames.com/funkyMummy/index.html>

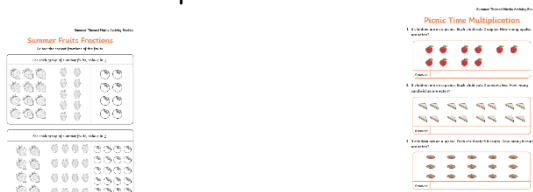

Have a go at the mental maths train <https://www.topmarks.co.uk/maths-games/mental-maths-train>

Education City - use the homework tab to access your child's own homework city where **specific activities for this week have been enabled** - there are also lots of Pick and Play maths activities to choose from too. <https://go.educationcity.com/>

Activities for the week

This week you will be completing an activity booklet, revising concepts you have learnt this year, each page of the booklet has a different activity on it, there are some addition and subtraction activities, others include halving, division and multiplication to name a few. You don't need to follow them in any particular order but can spread them out across the week, some activities will take much longer than others.

Homework

By the end of the week - send **just one** completed activity sheet to your class teacher (if possible showing your child using the resources they chose to solve the problems).

Dragonflies - P.Glass@heatherside-inf.hants.sch.uk **Swans** - S.Williams@heatherside-inf.hants.sch.uk **Kingfishers** - E.Brown@heatherside-inf.hants.sch.uk
Lions - A.Fergus-Smith@heatherside-inf.hants.sch.uk **Tigers** - V.Hogan@heatherside-inf.hants.sch.uk
