

How to Make a Jam Sandwich

You need:

Cut out the instruction sentences below and put them into the right order, so they make sense.
You could also highlight the bossy (imperative) verbs in one colour and time connectives in another colour.
Can you spot any adjectives or adverbs too?

Place the sandwich on a plate and enjoy!

Put the second piece of bread on top.

Lightly spread the butter across both pieces of bread.

Next spread the delicious jam on just one piece of bread because it is quite sweet.

First pick up the knife sensibly.

Carefully cut the sandwich into quarters with the knife.
