HOME SCHOOL AGREEMENT

Education is about the whole child and is a partnership between home and school, between parents and teachers. This agreement cements our commitment to the partnership and defines our responsibilities within it.

Together we will:

- encourage children to acquire moral values on which to base behaviour, honesty, sincerity and respect for themselves and others in the multicultural society in which they live.
- support the children's learning to help them to achieve their best.

The school will endeavour to:

- provide a friendly, caring atmosphere where learning and laughter go hand in hand.
- provide a broad and balanced education which develops social, intellectual and physical skills.
- set high expectations for behaviour.
- contact you, as parents, if there is a problem with your child's work, attendance, punctuality or behaviour.
- offer opportunities to you to visit regularly to discuss your child's progress and set targets for future achievement.

As a parent I will endeavour to:

- ensure that my child attends school regularly and arrives on time.
- support my child in homework and other opportunities for home learning.
- support the school's policy and guidelines for behaviour.
- attend parent meetings to discuss my child's progress, and respond promptly to communications from school.
- inform the school of any issues which may affect my child's work, behaviour or attendance.
- ensure that we respect and keep the rules and guidelines that ensure the safety of our children on site at all times.
