

Parents,

WE NEED YOUR HELP!

We are really looking forward to our jubilee celebrations and our Infant School Council would like to brighten the school grounds by planting plenty of red, white and blue flowers in containers and pots.

We would really appreciate any donations of...

Red flower plants

White flower plants

Blue flower plants

Bags of soil/compost

Containers or pots with holes in the base
(preferably large enough to make a nice display but not too huge or heavy to lift)

Old tea cups (to decorate the tables)

Please send in your donations to your child's class anytime from **Monday 9th May until Tuesday 24th May '22.**

Many thanks
