

Year R

Our key learning this week:

The Greedy Zebra

25.4.24

Communication, Language and Literacy:

We will be reading The Greedy Zebra

We will be learning new tricky words: 'were' and 'there'

We will be spelling tricky words: 'they' 'are' 'all'

We will be writing about our own imaginary animals!

Mathematics:

We will be exploring addition and subtraction

Understanding the World:

We will be sorting wild animals by different categories

We will be thinking about the special clothing different people wear

Expressive arts and design:

We will be creating artwork out of vegetables and making imaginary animals

Don't Forget:

We are very excited to be attending Judo sessions on Friday afternoons!
Your child will need to wear their P.E kits each Friday in addition to our normal P.E Thursdays.

Suggestions for learning at home

This week sing and act out songs such as 'five little ducks' and 'ten in the bed' to

support your child's understanding of subtraction.

Review and practise all sounds and actions in your child's purple book.
Please continue to **regularly practise the digraphs and trigraphs we learnt last term.** Can you spot these in the books you read at home?
