

Heatherside Infant School Year R Autumn Term 1 2024

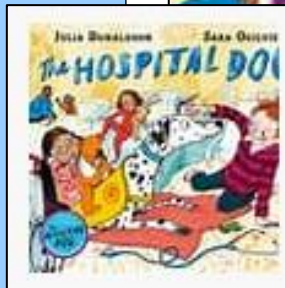

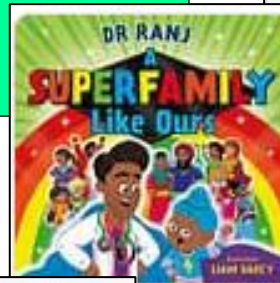

As readers ...	As writers ...	As mathematicians ...
<p>we will develop a love of reading by reading daily this can be our reading book or a favourite story. We will be able to answer simple questions about a story. We will learn our Level 2 sounds and actions by practising them daily and our Level 2 tricky words. We will apply our sounds when reading to sound out our words (blending).</p>	<p>we will learn the Level 2 sounds and their corresponding letters. We will be able to apply them when we are sounding out our words to write (segmenting) and when writing simple labels for pictures. We will learn and practice the correct letter formation when we are writing. We will learn to write our name.</p>	<p>we will learn how to sort and compare sets of objects. We will learn about more and less. We will count to 10 and say the number as we touch the object (1-1 correspondance). We will be able to subitise (say how many by looking) sets of objects up to 5. We will create and continue simple patterns.</p>

Our topics this term are All about me and People who help us!

As journalists we will be listening and responding to our story of the week, we will be drawing a picture and labelling it with the sounds we are learning.

As designers we will be experimenting with colour and developing new techniques to develop in our creations.

As explorers we will be talking about our different emotions and how we feel. We will focus on our school values of Respect and Kindness.

As investigators we will be finding out about different people who help us. These will include our families, the police, medical staff and firefighters.
