

Year 2 Autumn Term 1

Reading	Writing	Maths	Other
Develop a love of reading by reading a book with / to your child every day.	Remember to include all your punctuation, check your spelling and read it back to make sure it makes sense!	Practise addition and subtraction number facts for all numbers to 10 and then 20.	Practise your joined up handwriting, making sure all your letters are the correct size.

As **Readers** we will sound out and blend more complex words, chunk words into syllables and decode new words.

As **Writers** we will practise spelling the Year 2 Common Exception words, using punctuation in our sentences.

As **Scientists** we will be exploring animals including humans. What are our basic needs to stay safe and alive?

As **Artists** we will understand that we can use different media to capture the nature of things we find.

As **Mathematicians** we will be revisiting number facts using both addition and subtraction to 20 and practising place value.

We will be using our skills to support us when problem solving

During **RE** we will be exploring the idea of being special through the topic of food.

During **Computer** sessions we will be adding to our skills using I pads.

As **Historians** we will be comparing the lives of Florence Nightingale and Mary Seacole. Who were they and why do we remember them?

In **PE** we will be moving and dancing to music and practising our fitness skills.

In **Music** we will be listening to music, exploring rhythm and pulse.
