

ADMISSIONS POLICY SEPTEMBER 2027 – AUGUST 2028

Frogmore Community College is an Academy within the Weydon Multi Academy Trust and the Trust is the Admissions Authority.

The admissions process is administered by the school in accordance with these Admission Arrangements and the Weydon Multi Academy Trust Admissions Policy.

Frogmore Community College is a mixed comprehensive school for children aged 11 to 16, serving the Frogmore, Darby Green, Blackwater, Yateley, Hawley area. There is no requirement for aptitude from prospective students.

The school participates in the Local Authority co-ordinated admissions scheme, and all associated deadlines must be adhered to by applicants. Applications for admission to Year 7 must be submitted to the child's home local authority in October of the year before admission, using the authority's Common Application Form.

The Published Admission Number (PAN) for Year 7 starting September 2027 is 145.

Children with an Education, Health and Care Plan naming the school will also be admitted and will count within the Published Admission Number.

As required by the Admissions Code (2021), the school gives top priority to applications on behalf of children in public care (children in care) and children who have previously been in care.

The school will endeavour to provide places for students who do not attend a named partner school if their parents/carers wish them to attend Frogmore Community College, provided that this can be accommodated within the admissions limits. However, there is no guarantee of a place for children attending one of our named partner schools. Admission to the school is not dependent on any voluntary contribution.

The Schools Admissions Code (2021) will take precedence in the event of any disparity with the Admissions Policy.

Living inside or outside the Hampshire County boundary does not affect the consideration of any parent/carer application.

Out of Chronological Year Group Requests

Applicants may request in writing that their child be admitted outside of their normal age group. The Governor's Admissions Committee will consider each request based on the evidence provided and the child's best interests.

For guidance, please refer to the Department for Education (DfE) Guidance: [Summer born children: advice for parents - GOV.UK](#)

- **Decelerated entry (starting later than the chronological age group):** Applicants seeking a decelerated entry should initially apply for a place according to their child's chronological age. If, in liaison with the Principal, the Governor's Admissions Committee approves the decelerated entry, the child's place cannot be deferred. Instead, the applicant will need to reapply in the following year for the decelerated cohort.
- **Accelerated entry (starting earlier than the chronological age group):** Applicants seeking an accelerated entry must apply at the same time as other families applying for that cohort. If, in liaison with the Principal, the Governors approve the accelerated entry, the application will be processed. If not approved, the applicant will be invited to reapply the following year for the correct cohort.

Oversubscription criteria

Should there be more applications for entry to the school than places available, the Governor's Admissions Committee will apply the criteria in the order in which they are set out below.

First priority: Looked after children and previously looked after children

Children who are in the care of a Local Authority (LA), or have been previously in the care of a Local Authority.

Looked after and previously looked after children will be considered to be:

- Children who are in the care of a Local Authority or provided with accommodation by a Local Authority in accordance with Section 22 of the Children Act 1989, e.g. fostered or living in a children's home, at the time an application for a school is made.
- Children who have previously been in the care of a Local Authority or provided with accommodation by a Local Authority in accordance with Section 22 of the Children Act 1989 and who have left that care through adoption, a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989).
- Children who appear (to the Admissions Authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child will be regarded as having been in state care outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. The parent/carer will need to provide evidence to demonstrate that the child was in state care outside England and left that care as a result of being adopted.

Places will be allocated under this criterion when places are first offered at a school and the Local Authority may also ask schools to admit over their Published Admission Number at other times under this criterion.

Second priority: Staff Children

Priority will be given to children of staff employed at Frogmore Community College by the Weydon Multi Academy Trust.

To qualify, the staff member must either:

- Have been employed at Frogmore Community College for 2 or more years at the final date for admissions applications. In addition, their employment contract must demonstrate their employment address / place of work is the Frogmore Community College.

or

- Their employment must meet an identified skills shortage at the school. Staff wishing to confirm whether their role qualifies under the skills shortage criterion should speak with the Principal.

To qualify for the skills shortage criteria, the member of staff will have been recruited to fill a vacant post for which there is a demonstrable skills shortage, evidenced by unsuccessful recruitment attempts or a lack of suitable applicants. Applicants will be informed of their status for this purpose.

By children of staff we mean children for whom the staff member is the parent, legal guardian, or resident stepparent.

The home address for the student must be the same as the staff member's home address for the priority of Criterion 2 to be awarded.

A Supplementary Information Form is needed for all applications made under this criterion. This can be downloaded from the website and must be fully completed and forwarded to the Admissions Officer by the closing date for applications.

Third priority: Exceptional Circumstances

Occasionally, there will be a very small number of students for whom Exceptional or Social or Medical circumstances will apply which will warrant a place at a particular school.

In all cases, supporting documentation must be submitted as to why the child should attend this school and why no other school could meet the child's needs. The evidence must be specific to the school.

Applicants who wish to be considered for priority under the criterion of exceptional or social or medical must complete a Supplementary Information Form in addition to the Local Authority application form and forward the form along with all supporting documentation for the Principal and Governor's Admissions Committee to consider.

- If the application is for Year 7 in September, this form and supporting evidence must be submitted to the Admissions Officer by 31st October. Any forms or evidence submitted after this date may not be considered until after the national offer day.
- If the application is for In-Year admission at any other time, this form and supporting evidence must be submitted to the Admissions Officer at the same time as submitting the Local Authority application.

Fourth priority: Siblings

Priority will be given to children who have a sibling on roll at the school at the time of application, provided that the sibling is expected to remain on roll at the school at the time the child is admitted.

For the purposes of admission, a sibling is defined as a child who is a:

- Brother or sister
- Half-brother or half-sister
- Adopted brother or adopted sister
- Foster brother or foster sister
- Stepbrother or stepsister
- Child of a parent's partner

In all cases, the children must live in the same family unit at the same address from Monday to Friday.

Sibling priority applies both at the initial allocation of places and when prioritising the waiting list.

Sibling priority is intended to maximise the opportunity for children from the same family to attend the same school.

A mainstream child will also be given sibling priority if they have a sibling with a final Education, Health and Care Plan (EHCP) naming the same school, provided that the sibling with the EHCP is expected to start at the school on or before the mainstream child's admission. Parents must declare any child with an EHCP naming the school in order for sibling priority to be considered.

Fifth priority: Children attending a named partner school

In alphabetical order these are:

- Frogmore Junior School
- Hawley Primary School
- Potley Hill Primary School.

All partner schools are treated on an equal basis.

For the initial allocation of a place for Year 7, the child must be on roll at a partner school on the closing date for applications. For initial allocations for Year 7 after 1st March and to the end of the summer term, the child must be on roll at the partner school on the date the offer is made.

Sixth priority: Any other applicant

Remaining places will be offered on the basis of nearness to the school.

Tie-Breaker in the Event of Oversubscription

In the event of oversubscription, children within any of the categories above will be allocated places in rank order using the following criteria:

If oversubscription occurs within any of the above categories, remaining places will be offered based on the proximity of the child's home address to the school. Distances will be measured in a straight line from the Ordnance Survey home address point to school address point using Hampshire County Council's Geographic Information Systems (GIS).

Where two or more applicants share equal priority—for example, if two children live equidistant from the school and only one place remains—the place will be allocated using random selection. Names of all tied applicants will be drawn from a container in the presence of at least two senior officers from the Weydon Multi Academy Trust Central Team, who are independent of the school's admissions process.

In the case of multiple births or siblings born within the same academic year, if one child has been offered a place, the subsequent child or children will also be offered a place, provided they are ranked consecutively. If this results in the Published Admission Number (PAN) being exceeded, no new places will be offered until the total falls to PAN minus one.

Late applications

Late applications and any changes to the application will be considered in line with Hampshire's Coordinated Admission Scheme and deadlines within the Scheme.

For further guidance, please use the link: [Changing your application or making a late application | Education and learning | Hampshire County Council](#)

Definition of Home Address

The address on the application must be the child's current permanent residence. Only one application per child may be submitted, and it must be made from a single address.

Proof of residence is required as part of the co-ordinated admissions scheme. This is usually provided via the council tax number. If the parent/carer making the application is not responsible for council tax, alternative evidence such as a utility bill may be accepted. In cases of temporary accommodation, a rental agreement will be required. Failure to provide satisfactory proof of residence may result in the withdrawal of an offer.

Temporary addresses will generally not be accepted if the main carer still owns or rents a property previously used as a home address. Similarly, temporary addresses will not be accepted if they are believed to have been used primarily or solely to obtain a school place when another address is available to the child.

If a child lives with different parents during the week, the home address will be the residence where the child spends at least three nights per school week, usually the address of the parent receiving child benefit.

For the initial allocation of a Year 7 place, the child's address at the closing date for applications will be used. Changes of address that affect waiting list positions may be considered under Hampshire's Co-ordinated Schemes if there are exceptional circumstances, such as a recent move into the area. After the initial allocation, the address used for waiting lists will be the child's current address.

Any offer of a place based on address is conditional on the child residing at the relevant address on the specified date. Parents/carers are responsible for notifying Hampshire County Council and Frogmore Community College of any change of address. Hampshire County Council may investigate any applications where there is doubt about the address provided. The use of false information may result in the withdrawal of an offer of a place.

The home address used will apply at the closing date of applications unless a change of address for a valid reason has been accepted.

More information on how we investigate applications is available in the Address of Convenience Assessment Protocol that can be found using the link: [Address information | Education and learning | Hampshire County Council](#)

Notification and acceptance of offers

For Year 7 admissions, offers will be sent to parents/carers by their Home Local Authority, typically on or around 1 March. Where required by the Home Local Authority, written acceptance of the offer must be returned to the Local Authority by the specified deadline indicated in the offer letter.

For admissions to other year groups, offers will be sent directly to parents/carers by the school. Written acceptance of the offer must be returned to the school by the deadline stated in the offer letter.

Waiting Lists New Round Admissions into Year 7

Where Year 7 is oversubscribed, a waiting list will be established using the oversubscription criteria set out above. This waiting list will be maintained until the end of December following the year of entry.

Criterion 5 (partner schools) applies during the normal Year 7 admissions round and to any in-year Year 7 applications received up to and including 31 December of the year of entry.

At the start of the Spring Term, a new Year 7 waiting list will be established. Parents/carers who wish their child to be included on the Spring and Summer Term waiting list must contact the school by the end of December, providing the child's name, date of birth, and current school.

Children on the Spring Term Year 7 waiting list will be ranked in accordance with the published oversubscription criteria, excluding Criterion 5 (partner schools). The order of the waiting list will not be influenced by the date the application was received or the length of time the child's name has been on the list.

In-Year Admissions (Year 7 from 1st September following admission, and Years 8 to 11)

Applicants should complete the In-Year application form via the following link:

[School admissions | Education and learning | Hampshire County Council](#) or via the Frogmore Community College admission page [Frogmore In Year Admissions](#)

Where a year group is oversubscribed, a waiting list will be maintained. Children on the waiting list will be ranked strictly in accordance with the published oversubscription criteria and without regard to the date of application or the date the child's name was added to the list.

For Year 7 only, a new waiting list will be established at the start of the Spring Term, at which point Criterion 5 (partner schools) will no longer apply.

Removal from Waiting Lists

Waiting lists are cleared at the end of each academic year. Parents/carers must reapply if they wish their child to be considered for admission in a subsequent academic year.

For further information on In-Year Transfers please contact Frogmore Community College Admissions on 01252 408444 or email WMAT Admissions wmatadmissions@wmat.org.uk or see the Frogmore Community College In-Year Admissions page on the website [Frogmore In Year Admissions](#)

Appeals

If you are not offered a place at Frogmore Community College, you have the right to appeal to an independent panel. If your child has been offered a school lower on your preference list, or a school allocated centrally, you may also submit an appeal.

Parents/carers wishing to appeal must contact Surrey Schools Appeals Service by telephone 0300 200 1004, by email on surrey.schoolappeals@surreycc.gov.uk or visit www.surreycc.gov.uk/schoolappeals or via the school website [Frogmore Community College - Appeals](#)

Transport to School measurement

Parents/carers should note that if they apply for free transport, different criteria apply and the distance from home to school will be measured using a different route.

For further guidance please contact Hampshire Transport Team [Travel to school | Education and learning | Hampshire County Council](#)

All applicants please note

If an applicant is found to have provided false or deliberately misleading information, or to have withheld relevant information, the Local Authority or School reserves the right to withdraw any offer of a place before the child starts school.

If you would like a paper copy of the application form or require further information, please contact either:

Hampshire Schools [Education and learning | Hampshire County Council](#) or Frogmore Community College Admissions on 01252 408444.

Recommended for approval by Admission Committee to LGB: 27th January 2026
