

Heatherside Infant School Year R Spring Term 2 2026

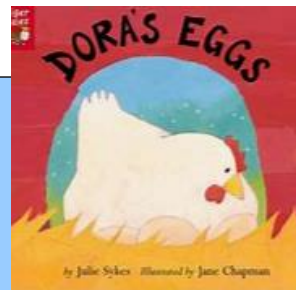

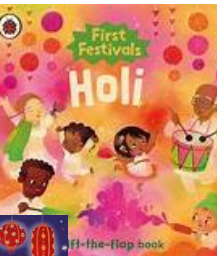

As readers	As writers	As mathematicians
<p>we will continue to develop a love of reading by reading every day - this can be our reading book or sharing stories linked to our theme and the children's interests and needs.. We will be able to talk about the story and what we can learn from it. We will finish learning and our Level 3 sounds and actions and our Level 3 tricky words. In our reading we will recognise digraphs in words when sounding out and blending them correctly.</p>	<p>we will hear the Level 3 sounds in words and we will know the corresponding letters to write. We will be increasingly independent in sounding out our words to write (segmenting) and when writing simple sentences for pictures. We will continue to develop and practise the correct letter formation when we are writing.</p>	<p>we will learn to subitise (say how many by looking) all the numbers from 0 to 10 and the different ways to represent them. We will learn how to make the numbers to 10 (number bonds) in different ways. We will learn about height and length, how long and tall objects are and measure using non-standard units.. .We will learn to describe and compare objects by length and height. We wil learn about 3D shapes.</p>

Our topics this term is Being Healthy

As journalists we will be listening and responding to our book of the week, we will be drawing a picture and writing simple sentences using the sounds we have learnt and are learning. We will practise our letter formation to make our writing easier to read.

As designers we will be experimenting with colour, doing observational drawings and working with different materials to create pictures and models inspired by our theme.

As explorers we will be finding out about different festivals and different beliefs. We will focus on our school values of Integrity and Togetherness. We will talk about the changing seasons.

As investigators we will be talking about how plants grow, where food comes from and how we can be healthy. We will learn about different places in the world. We will learn about how we change as we grow up.
